

Did you know

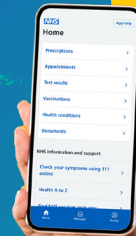

WITH THE NHS APP YOU CAN...

NHS

South East London

- ✓ Order repeat prescriptions
- ✓ View your GP records and test results
- ✓ Quickly check symptoms
- ✓ View upcoming GP appointments
- ✓ Contact your GP practice online*

*Availability may vary by GP practice.

GETTING STARTED WITH THE NHS APP

Access NHS services online through the NHS App on your smartphone, tablet or computer.

No smartphone?

You can still access NHS App services online at www.nhs.uk

WHAT YOU'LL NEED

To create an NHS login and access NHS services online, you will need:

- your GP-registered name
- your address
- an email address
- a mobile number
- your NHS number

Find your NHS number

If you cannot verify your ID online, your GP practice will be able to help you access your account.

Turn on notifications to receive secure messages, appointment reminders and updates from your GP practice directly through the NHS App.

NEED HELP?

For support with NHS login or setting up the NHS App, visit the NHS login Help Centre.
